

Below are the results for the indoor season, upto and including the 24th February. Six archers this week improved their handicap. Don't forget keep submitting scores to get a low handicap.

Please note that those archers who received a handicap last year shooting a different type of bow have had last years handicap removed.

On the 14th of March we will be holding our Indoor Handicap Shoot (Easter Egg prizes)- so make sure you have a Handicap by then! Remember to get a handicap you need to have shot at least three rounds
